# The ADP Review

December 2019  
Vol - 6 : Issue - I

## Words from the desk of the Principal

It is my great pleasure to extend heartfelt greetings to the readers of the second issue of AnandaramDhekiyalPhookan College (ADP College) newsletter-2019.

We value your staying connected to us and I hope this is just another means for you to keep in touch with the latest news on our college. In this issue of the newsletter we have placed achievements of our teachers, academic events, extension works, collaborative works etc. We acknowledge the time constraints and the many news sources that vie for your attention, so we offer a brief look at each story for yours information.

Although the newsletter format is limited in the amount of in-depth information it can provide, we are trying to make every effort to describe our latest achievements. Any criticism, opinions, and encouragement will be highly appreciated by the editors of the Newsletter.

My best wishes and regards to all.

(Dr. Surajit Kumar Bhagowati)

The Main Gate of College  
Constructed on the occasion of  
Diamond Jubilee Celebration was  
inaugurated in September, 2019

## INTERNAL QUALITY ASSURANCE CELL

### A few words from IQAC Co-ordinator

The Internal Quality Assurance Cell of ADP College has been consistently trying to elevate the quality of academic environment as well as elevate the standard of corporate life in the college. We have revamped the college website thoroughly, incorporating all relevant information necessitated by new guidelines of NAAC. We have prescribed code of conduct for the faculty members as per UGC guideline. We have strived to achieve higher standards in a continuous manner. Regular programmes on personality development, cleanliness, health awareness, environmental awareness, intellectual property rights etc have characterised the work culture of IQAC. Swachh Bharat Abhiyan, Awareness against drugs, Awareness against plastic use etc were some important events organised by us during the past year. Campus interviews were held in the college by different banks during this year and some successful students recruited for managerial posts. We held training for TET examinations too. Our faculty members have offered yeomen's service in the immediate neighbourhood in their extension services. We have organised free health camp for the neighbours as well as the support staff and office staff of the college. We have entered into collaboration with several colleges and universities for exchange of faculty and knowledge. Our faculty members have been trained in the use of ICT in classroom teaching. Most importantly we organised a National seminar on the New Quality Paradigm in NAAC Accreditation on 1st and 2nd March, 2019. It was sponsored by NAAC. All these have enthused our stakeholders with great spirits. We strive for greater and greater success. My best wishes to all.

Dr. Sanjib Kumar Borkakoti

## COMMENT OF PROF K. M. BUZARBARUAH, VC OF AAU

I was really overwhelmed to see/visit this excellent college of learning. The premises of the college is very good, faculty is upright, ambience is attractive and students disciplined. Credit goes to its Principal and other faculty members to have bagged Grade ‘A’ in NAAC accreditation. Hope the college will keep up its growth speed intact, rather accelerated to be one step up compared to other colleges. I wish the college the best, the very best and all the best to keep on producing quality bearing resources.

Date - 01/03/19

ADP College successfully completed the 22nd Assam State Yoga Sports Championship 30th October, 2019.
