

Best Practices
Anandaram Dhekial Phookan College, Nagaon, Assam

The college has adopted two best practices, developing discipline, comradeship and spirit of adventure and selfless service through involving the students in social activities through NCC and NSS.

Best Practice -1

Title of the Practice

Anandaram Dhekial Phookan (ADP) College NCC Unit and its cadets bringing laurels to both the Institution and the District

Objectives of the Practice

- To train the students of the college to become confident, committed and competent leaders in all walk of life.
- To enhance the awareness level of students being responsible citizens of the country.
- To conduct different activities contributing towards society in terms of social and community development
- To provide an environment in the college and motivate the cadets to join the armed forces as a career.

The Context

In 1963 under Dr. Narayan Ch. Barman's guidance (then Vice Principal of our college) a company of NCC was formed with 200 students cadets under 8th Assam NCC. As the members increased and there was a need for a separate officer to head the company, the HoD of the Education Department Narendra Nath Saikia was given the same Pre-Commission Training and appointed as a Part-time NCC Officer of the College. Thereafter, the then HOD of the English Department Rabindra Bora took charge as the NCC officer for some time. After Mr. Bora's retirement the HoD of the Geography Department Mr. Khagendra Chamdra Mahela took Pre-Commission Training and continued as NCC officer of the college from 1981. He had Promoted to Vice-Principal in the

year of 2013. In 2013 Ram Babu Rai was recruited as NCC office Assistant to accelerate the Cadets. In 2016 Dr. Ajit Bharali, Assistant Professor of the Assamese Department took over as the NCC Officer and had been successfully continued upto 2018. In 2018, November, Principal Dr Surajit Kr Bhagawoti gave the responsibility to Dr. Jalin Prakash chetia, Assistant Professor of the Assamese Department. He took over as the NCC Officer in-Charge and has been successfully continuing as the same till date.

By now, quite a good number of cadets from our college have won laurels to the institution, through their participation in various competitions and camps, and a few have placed themselves at respectable positions, largely on account of their credentials in the NCC.

The Practice

Anandaram Dhekial Phookan (ADP) College NCC Unit has a glorious history having its cadets bringing laurels to both the Institution and the District. It is an active cadets Unit. The Cadets participate in CATC (Combined Annual Training Camp), ATC (Annual Training Camp), Army Attachment Camp, National Integration Camp (NIC), Sainik Camp, Republic Day Camp (RDC),

TSC (Thal Sainik Camp), Rock Climbing Camp, etc quite regularly. During the tenure of Dr. Narayan Chandra Barman as NCC Officer, one NCC Cadet Krishna Sarma successfully participated and completed under the guidance of Tenzing Norgay, the first conquer of the Mount Everest, under the aegis of Jawaharlal Nehru Mountaineering Institute and in 42-Basic Mountaineering Institute the basic training of mountain and snow climbing and had shown special skills in the same.

Cadet Krishna Sarma later joined the Indian Army as Commissioned Officer and went on to become and retired as a Major. There are numerous examples of our NCC Cadets acquiring NCC 'C' Certificate and joining the Army, the Police and other such Institutions.

At present 75 NCC Cadets allotted as per 8 Assam Bn NCC (rectified by NER Directorate) in the College. The college had introduced 33 percent reservation for the girls Cadets from 2012. Like the boys, the girl cadets too have shown excellence in different fields. Our cadets have been proving their mettle in different events like Annual Training Camp, Basic Leadership Camp, Social Service Camp, Republic Day Camp etc from time to time.

Problems Encountered and Resources Required

The following are the problems encountered and resources required for the NCC unit.

- Lack of parade ground as the college premises is very small and there is no open field.
- The students are from economically challenged backgrounds and hence they cannot afford to procure requisite materials, which are not supplied by the administration. There is hesitation to travel outside.
- There is no fund allocated for NCC by the college.
- The classes and NCC programmes often clash, resulting in hesitation of the cadets to join the programmes.
- Awareness about the role and functioning of NCC is very little as Gauhati University has not yet implemented the suggestion of UGC to make NCC a compulsory subject in degree programmes.
- Teaching assignment of the in-charge comes on the way of NCC programmes as we do not have full-time NCC in-charge and we have to manage tight-rope walk.
